

(District Logo)
Equipment Operator
Monthly Salary Range of
\$3,297 - \$6,557
Plus benefits

West Kern Water District is looking for a motivated individual to join our team in the construction and maintenance of water lines, services and meters. If you have working knowledge of the mechanical operation of a variety of equipment and tools required for waterworks construction and repair activities then apply immediately at 800 Kern Street, P.O. Box 1105, Taft, CA 93268 or download a District application on line at www.wkwd.org.

Deadline for submitting application is 4:30 pm on Friday, February 16, 2018. Resume will not be accepted in lieu of District application. The successful applicant will be subject to a pre-employment drug screen and physical exam, thorough background check and must provide a current DMV report. E.O.E.
