West Kern Water District is looking for an individual with mechanical skills. This position requires ability to coordinate and maintain the inspection and maintenance of pump station facilities, record readings, perform minor maintenance of facilities and equipment, and maintain records accordingly. This position does have a rotating work schedule, including weekend and holiday work.

Requires a High School Diploma or GED equivalent; one (1) year of experience in repair and maintenance of industrial natural gas engines or one (1) year experience with a water utility organization; and must possess a Grade 1 Water Distribution Certificate and a Grade 1 Treatment Certificate or the ability to obtain said certifications within 3 consecutive testing opportunities after commencing employment.

An application and a complete job description can be obtained on the District website at www.wkwd.org or by contacting the HR Administrator at tami@wkwd.org or 661-763-3151 ext. 133. Application and resume must include three (3) work related references and must be submitted no later than 4:30 p.m. on May 31, 2023. Resume **will not** be accepted in lieu of District application. The successful applicant will be subject to a pre-employment drug screen, background check, and physical exam and must provide a current DMV report. EOE.
